

Cave Photography Workshop

August 1, 2, 3, 2009

AT

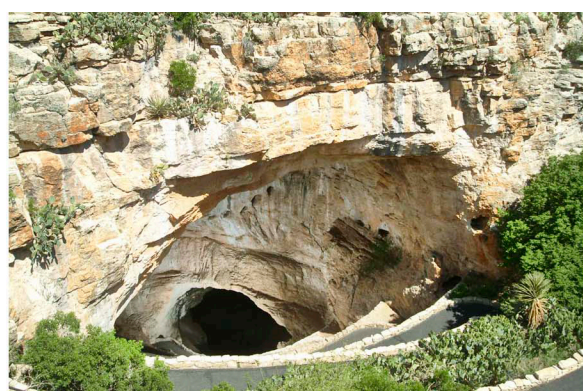

CARLSBAD CAVERNS
NATIONAL PARK

Carlsbad Caverns National Park is pleased to offer a three day Cave Photography Workshop on August 1 - 3, 2009. This workshop is designed for the intermediate level photographer with a basic knowledge of digital photography skills. If you have found your images of Carlsbad to be less than what you had hoped for, this workshop is for you. You will need your camera, a tripod and a willingness to learn.

This is the third workshop by cave photographer Peter Jones of Shot in the Dark Cave Photography. Peter has been exploring and photographing the caves of the Guadalupe Mountains and Carlsbad Cavern for 40 years. His work is part of the permanent collection of Carlsbad Caverns National Park and has been published worldwide.

The fee for the three day class is \$300. Class is limited to 12 participants and is expected to fill up quickly. For more information, speak with a representative at the Bookstore, visit the Park's website at www.nps.gov/cave or call (575) 785-2484 to register for the class.
